

## Secretary of Defense Report

### **April 1 – September 30, 2002**

This report fulfills the requirements of the Inspector General Act of 1978, as amended, 5 U.S.C., Appendix 3, Section 5(b).

#### **FOREWORD**

Section 5(b) of the Inspector General Act of 1978, as amended, requires that "Semiannual reports of each Inspector General shall be furnished to the head of the establishment involved not later than April 30 and October 31 of each year and shall be transmitted by such head to the appropriate committees or subcommittees of the Congress within thirty days after receipt of the report, together with a report by the head of the establishment."

Section 5(b) requires the report by the head of the establishment to report information in the following four general categories:

- (1) any comments such head determines appropriate;
- (2) statistical tables showing the total number of audit reports and the dollar value of disallowed costs, for audit reports;
- (3) statistical tables showing the total number of audit reports and the dollar value of recommendations that funds be put to better use by management agreed to in a management decision, for audit reports; and
- (4) a statement with respect to audit reports on which management decisions have been made but final action has not been taken, other than audit reports on which a management decision was made within the preceding year.
